The land

Plot 1 is an open, kerbed parcel of land with young trees between Waveney Drive and the service road opposite the Birk Beck flats, with the bus shelter alongside. Its boundaries are shown edged red on the plan in the legal pack. Plans and images are for identification only.

Highway. The plot lies between two carriageways at a road junction and may form part of the adopted highway or verge, in whole or in part. Buyers must check this with Essex County Council and the legal pack before bidding. Highway land cannot be enclosed, fenced, built on or obstructed, whoever owns it.

Trees and services. Buyers should check whether any trees are protected, and for drains or utility apparatus beneath the verge.

Access. Buyers must satisfy themselves as to access, and whether any new vehicular access would need highways consent, given the junction and the double yellow lines.

Planning

There is no planning permission for any use or development. Any change of use or development would need permission from Chelmsford City Council, and other consents may be required, including highways consent. Any development concept is for illustration only. Palace Auctions gives no assurance that permission would be granted. Buyers should take their own advice before bidding.
